MEMORANDUM TO CHIEF, SERVICES BRANCH

SUBJECT: PROPOSED TRIP SITE AT

25X1A

1. Reference is made to Real Estate Planning Report covering the subject site dated 23 September 1947 and transmitted from your office under date of 13 October 1947.

2. If, as the report indicates, suitable buildings may be constructed on this property, it is desired that the site be acquired under the terms outlined as "special recommendation" of the report. General specifications for proposed operational buildings are in preparation and will be submitted within a few days with a request that you determine the feasibility of such construction and estimate the overall cost of the project.
